What Our Advertisers Are Saying!

Connie [Alter Metal & Recycling] - "We had over 500 customers between 8 and Noon... and normally on a Saturday, we'll have anywhere between 50 to 75 customers. We got the word out to a lot of people, and the WJVL staff was awesome, we just had an overwhelming turnout." [Referring to a remote broadcast]

Warren [Beef Brothers] - "It does reach out. I had a couple coming down, on their way to Chicago from Wisconsin Rapids. Around Madison somewhere they turned to WJVL, heard my ad, came in on the bypass, and found me and had sandwiches... now that's reaching out and touching people with your message."
